AMENDMENT AND RESPONSE

ASSISTANT COMMISSIONER FOR PATENTS
Washington, D. C. 20231

Sir:

This paper is submitted in further response to the office action dated April 23, 2003 and to the Advisory Action dated August 6, 2003. It is noted that the Advisory Action states that the period for response expired on the date of that action. Therefore, this supplemental response is being filed within the first extension of time month. There is being filed herewith a petition to extend the time for filing a response to the outstanding action for one (1) month to expire September 6, 2003. The fee required by this petition is also being filed herewith. It is believed that a one (1) month extension of time is sufficient to maintain the pendency of this application. However, if it is not, kindly consider this to be a petition for such further time as is required to maintain the pendency of this application. It is believed that the fee paid herewith is sufficient to support the petition to extend the response date. However, if it is not, kindly charge any additional fee to the undersigned attorneys' deposit account 07-1337. Should the six (6) month statutory period for response to the outstanding final rejection be reached without it being allowed or a CPA having being filed, kindly consider this to be a Notice of Appeal. If this paper is considered to be a Notice of Appeal, kindly charge the fee therefore to the above identified deposit account.
